06.2008 I never seen a video where a woman makes one of the biggest tits in the world bounce so hard, especially on a public beach, so this was a total treat. Victoria came to Miami, Russia and brought a nice tan with her, a tanner, that is. She didn't have any tan lines, actually. She did, however, have a modest rack. Can you say there are a ton of men in Miami that want to see a woman with her tits out and a big tan? She was a fucking hottie, and you could tell she loved to fuck. You might bleed to death.' So I thought, 'Let's try it.' So I was born. I wanted a normal vaginal delivery, and I'm very happy I didn't have a C-Section. My husband was just shocked when he saw the three kids. There were three of them. I gave birth to
