free download Balsamiq Mockups 3 is now available in two different versions, as it includes some significant changes. The new Balsamiq Mockups 3 versions are named Balsamiq Mockups Free and Balsamiq Mockups Premium. In other words, the Free version is free, while the Premium version is paid. As the name suggests, both versions work in very similar ways, but with some difference on the pricing. Premium Features and Pricing Balsamiq Mockups 3 provides you more than 50 helpful features for creating mockups. You'll get the best wireframes and prototype in a few clicks.

Collaboration is never easier. You'll be able to share your mockups with the team, or simply email it to them. The Import

feature will help you save time. Just import your PSD, Sketch, and SketchBook files and you'll be able to add styles to them. To export a wireframe to PNG, JPEG, PDF, or PDF/X-1a, you'll just have to click on one of the export options. You can work on your designs in several colors. Balsamiq Mockups 3 allows you to use a color palette, and you can download the colors directly from there. Furthermore, if you want to see the pen used on the mockup you're creating, you'll be able to display it on the right side. Other Features and Pricing Balsamiq Mockups 3 will make the mockups you create mobile-ready. You'll be able to add a static or full-screen preview in the bottom-left corner. All the animation and transitions are available in

the prototype. The new team management tools will help you create a single version of the document, so all the changes are saved into one document. If you want to change styles and colors, you'll be able to do it right in the Prototype. Balsamiq Mockups 3 Pro vs Balsamiq Mockups Free You'll be able to use Balsamiq Mockups 3 for free for a lifetime. Balsamiq Mockups 3 is a great mockup app, with a few differences between the Balsamiq Mockups 3 Pro and Balsamiq Mockups Free. Balsamiq
