which confuse many people. 'AutoCAD' (In English),
'Microsoft Office' (In Japanese). AutoCAD -
AutoCAD is a computer aided design (CAD) program
that allows users to produce 2D and 3D drawings or
schematics. A 2D drawing is known as a drawing or
design plan. A 3D drawing is known as a 3D model of
an object. AutoCAD is one of the first programs to
provide the ability to create computer aided design
(CAD) drawings. Do not go here, go to
www.autocad.jp, your country will have websites like
