fixed-price smartphone contract will be a Samsung Galaxy S8, four months after the
Samsung Galaxy Note 7 was recalled and removed from the market, Samsung said. Samsung
confirmed the Galaxy S8 will be its fixed-price Canada smartphone, called the Samsung
Galaxy S8 Evolution, for \$449.99 with Bell Mobility. The phone will arrive in stores
this fall, the company said. The firm said at the time it would be the first fixed-
price contract phone in Canada, and added that it was made in partnership with Bell
Mobility. "We believe by the end of the year we'll be one of the first mobile
operators in Canada to offer this kind of a premium product with a one-price deal,"
