The games were published in the 1980s, 1990s and early 2000s, and have sold more than 80 million units worldwide. The original series started with The Sims in 2000, followed by the spin-offs The Sims 2 in 2004 and the episodic series The Sims: Vacation in 2007. Other Maxis development studios include the Austin Studio, Richlands and Viva Too.
