Discovered in a rare book shop, a book that has yet to be read in many ways. I feel as though I have met someone I can trust deeply. It is an old book, but not as old as the author, who was much older and I wish she were here. At many times in my life, I was fortunate to be along to see and hear what was important. I wish she were here. But she is here in the book and I hold it in my hand. I was given one small piece of her writings in the beginning, but now it is not enough. The only thing I really wish was that it would be enough to give her back to me. It is always 570a42141b
