All logos and trade names are property of their respective companies. All copyright is reserved by VSTA, Ltd.In the wake of Monday's terror attacks in Paris, progressive news media outlets and liberal politicians in France have seized on the massacre as a chance to blast Donald Trump for calling for a ban on Muslim immigrants entering the U.S. But as French Prime Minister Manuel Valls explained this week, there are good reasons to be wary of Trump's proposals to put new restrictions on Muslims entering the U.S. "There is a part of me that feels like [Trump's words] were a provocation to anti-Americanism, and to racism," Valls told reporters Wednesday, according to French media outlets. "It was a
