In the middle ages, he was a hermit and a seer, who foresaw the whole world order, including things which were, later, to be accomplished by the various prophets. 15. The Church teaches that, in the means of grace, God is present to us in two ways: in the Holy Spirit, who sanctifies and fills us, and in Jesus Christ, the Incarnate Word; and Christ is present in the Holy Spirit by means of his mother the Church. Jesus Christ is the only source of eternal salvation. Jesus, Incarnate Word, points to the Father. 8. We report the results of a pilot project on cervical cancer screening in Sibiu County, in the favourable area for the extension of the project. During an initial period of 2 years, a cervical smear test has been offered to the women of the county. The project has been also promoted by the local opinion leaders and media. From April 1st to June 30th, 2004, we invited the targeted women to the county center for a smear test during their periodic visit to the gynecologist or in case of symptoms. The smears were reported at the laboratory in Sibiu County. During the first two years of the project, 777 women were tested for cervical cancer; from these, 42 (5.33%) were positive. Among the 1437 biopsies (the study group), 99 (7.03%) were positive. Only 19.5% of the biopsies were done during the "diagnostic window period" (i.e. before cancer becomes clinically apparent). One-third of the patients has been followed up with a colposcopy and there was one case of invasive cervical cancer. No fatal outcome could be ascribed to screening. The preliminary results show that the offer of cervical cancer screening test must have been well accepted. The second step will be the screening test in "non-risk" women.Joker is the latest big-budget Hollywood blockbuster to fall foul of the Weinstein Company amid an increasing number of accusations of sexual assault and rape.
