by: Hello :-) Concerning the activation
of the Autocom 2012.2 key. . Or run
Keygen to modify the
FileActivation.xml file. Yes, I did that,
everything is activated well. Key
question for 3 cars. 1. Is it possible to
somehow specify a specific key
number for each machine? Or some
other way Quote: Good afternoon.
Maybe someone knows or will tell you
what is wrong with the work of

Autcom CDP +. I bought a scanner for diagnostics in an online store. Sent in a box with a set of keys. After installing and connecting to the machine, everything worked. But only one car. Diagnosis of the second car does not work.
