
A huge game, but I enjoy the action and storyline. Completion of the story takes a lot, and for sure if you do not go to all the DLC it can be a grind. Definitely worth the money to buy. Allan P (es) wrote: Here is a list of the weaknesses of this game. First off, it is a bit slow and boring some levels. The transitions from levels are not great and is not a 3D game. While we have accomplished this, it is hard to believe that kids are playing this game and others like it. The auto-save feature (we're not supposed to use that) can be a little 1cb139a0ed
