### What's New in the?

Take control of your movies with this ultimate multimedia solution. Media Gallery Pro lets you organize, view, and categorize your movie library in a jiffy. Not only can it create personalized movie playlists, it can also view multiple movies simultaneously and convert movies to other formats. Thanks to its powerful media player, Media Gallery Pro can play virtually any format of movie and audio file. Besides, you can also create customized playlists for your movies. For easy installation and management, Media Gallery Pro supports system-wide shortcuts, register and unregister easily. What's New: Version 1.6.0.1: \* Added a useful feature that lets you search your computer for specific movie files. \* Improved the playback speed of movies with slow playback speed. \* Added a new option to enable/disable displaying album information. \* Improved the display of information for some movie file formats. \* Improved the reliability of playback. \* Added new features for better use, such as thumbnail previews, favorites, categories, tags, and more. \* Added the function of selecting the region where the audio in the video will be played. \* Enhanced the video conversion function. \* Added information about your computer to the settings dialog. Ratings and Reviews Write a Review Software installs easily and runs fine but we had to uninstall after it froze several times and closed. Had to reinstall several times. Billy Rooney Review Added: June 29, 2012 Very good player. Great support! Dave L Review Added: April 26, 2012 Works very well. Saves me from having to search the web for a program that works as good. Very simple to use. Dr M Review Added: December 17, 2011 Easy to use, powerful, supports every format, perfectly done. Joan Valladolid Review Added: December 3, 2011 Gave me no problems, but I am on a Mac. Haji Review Added: November 8, 2011 Works well, especially for converting movies. It can convert to most file formats and gives the file the time stamps etc which is useful if you want to get rid of your old movies which are damaged. It can also save the movie to different formats such as DVD, VCD, SVCD, etc. software reviews by users Rating 5 5 4 4 3 2 1 Dharshana May 17, 2011 Excellent Software! Software installs easily and runs fine but we had to uninstall after it froze several times and closed. Had to reinstall several times. Software installs easily and runs fine but we had to uninstall after it froze several times and closed. Had to reinstall several times.
