But I guess he had a good reason to do what he did! I thought Mycroft was pretty much a bad guy? I mean he told us Sherlock not to do those stupid things, but I guess he just regretted everything he did and maybe wanted to make it up to the boy? I wish Conan would get a happy ending with the pirates! That ship sailed years ago, and Sherlock should've known it by then! He should've stopped when the bloke begged him to. You know, I'm not really sure what to think about this. On the one hand I'm sure that Sherlock would love to have Conan back, and that Mycroft's words were genuine, but on the other hand I just don't think that they could work. First of all, they've spent so much time apart and have been living in very different worlds, they could never really be together again. No, there are so many factors that will make that impossible to work. And they're both emotional and all, d0c515b9f4
