Whatever happened to the tough yet innovative action-adventure survival game by Ubisoft, which had been presented to us more than a year ago as a new project? Ever since Ubisoft officially announced the game a year ago, it has been a long story of silence until today. Etrian Odyssey IV, the fourth major title in the long-running Japanese RPG series with turn-based combat and exploration, is finally scheduled for release on October 4. The official page of Etrian Odyssey IV now has a countdown timer. Etrian Odyssey IV brings us back to Etria, a world at the end of time, in which a demon army is attacking the land.

The new narrative setting adds another playable character, a young man named Julis and two whole storylines. We'll see how this expansion turns out in our second Etrian Odyssey IV preview next week. Q: Refresh an
