Is it possible? This is for version 1.7.9. A: The sharing tag has been removed. The list of tags that only existed in the V1 version of the site has been removed, and the remaining ones have been redesigned. Granulocyte recruitment into tumor-draining lymph nodes mediated by C-C-chemokine receptor 2. We tested the hypothesis that the accumulation of granulocytes into tumor-draining lymph nodes (TDLNs) is mediated by a C-C-chemokine receptor 2. The B16 melanoma cell line was injected into both flanks of C57BL/6 mice. Lymph nodes from the tumor injection
