There are also new playable national teams in this year's edition of the game, featuring Manchester City, Paris Saint-Germain, Roma, Inter Milan and Atletico de Madrid. Co-op will be available for all modes, and you'll be able to do a lot more than just work together to score goals: you'll be able to

fight off your opponents, work together in build-ups, and even as a goalkeeper on a free kick. It's the game you and your friends have always wanted to play together.
