Currently available for the Xbox One and PlayStation 4, Fifa 22 Cracked Version releases worldwide this September. "FIFA connects with people in deeper, more authentic and engaging ways than any sports video game before it. I cannot think of another sports video game that has such a direct tie to people's passion for real-life sports," said Gianni Infantino, FIFA president and chairman of the Infantino Group. "In FIFA 22, we have made the game that we have always wanted to make. This is the FIFA that I want to play and the FIFA that people want to play." "FIFA is already one of the world's best-selling videogame series," said Darrell Johnson, senior vice president and general manager of EA SPORTS. "When FIFA 22 launches, we will re-ignite interest in our already passionate fanbase by giving players the chance to experience real football action in the new game from the get-go." "The new 'Rediscover FIFA' is based on the brilliant vision of our newest gameplay director, Paul Merson." "I'm really happy to be working with the team at EA SPORTS. I'm passionate about football, and we all want to create the best FIFA there ever was." "I am absolutely thrilled to be working with EA SPORTS on the FIFA 22 project. I am a huge football fan, I am a huge FIFA fan, and I think that I am going to enjoy working on the game," said Paul Merson. ©PAUL-MONICA. EAK-66220 ©PAUL-MONICA. EAK-66220 ©PAUL-MONICA.
