Link, as a result of his encounter with the young girl, has awoken an enormous spider-like creature known as the Sheikah Slate. He must acquire the tablet in order to prevent the destruction of The Oasis, and the beings they host. In order to rescue the Oasis, Link must travel to the Hylian Shield deep within the heart of Hyrule Field. The first segment of this journey is easily made by riding the Epona horse, a sacred creature that is capable of both flight and ground travel. The adventure begins when you, Link, steps into the Temple of the Ancient Guardians. A maiden reveals a tablet to you containing the answers to the mysteries of Hyrule. You must explore the land of Hyrule to find the next piece of the tablet. But be wary, for the land is full of danger, and many traps are set to trip you up. As you search Hyrule, you will discover a series of mystical stones known as the Ages. You can gain the powers of these Ages by finding the Lost Woods and solving their puzzles in the order that they appear in the game. Before long, an elder guardian will appear and begin to expound the purpose of each Age. Once you have completed the order, you will be granted the power to traverse Time, and reach the Second Age, the ultimate power over Time. As you grow stronger, more guardians appear from the past, and when enough have been awakened, the elder guardian reveals the end of the Ages, the destruction of Hyrule Field. As you attempt to escape the collapsing temple and the ensuing collapse of the Field, you encounter the Master Sword, a mythical blade forged from the mythical Light Sword and the Triforce. This is the One Piece needed to cut through the ancient guardians. As you continue your journey, several guardians lay traps along the way. You will have to learn to jump, climb, swim and even catch on the backs of creatures in order to succeed. However, don't be afraid to use the Epona to reach locations that are unreachable by foot. Also keep in mind the many items you can gather along the way. They can be used to create tools, and many can be
