FIFA is the world's #1 football video game franchise, and EA SPORTS FIFA 22 is the most anticipated game of this year's roster of the most popular franchises on the market. Enter the most authentic football experience as never before with significant gameplay advances, matchday modes, and 24-player squad rosters. FIFA 12 was the fastest selling sports title ever on the PlayStation®3 system, and the wait for FIFA 13 is nearly over with the release of the first gameplay reveal trailer in 2010. Only FIFA can deliver the most authentic football simulation experience, so pick up FIFA for the Xbox 360® and PLAYSTATION®3 system! EA SPORTS FIFA 22 Get Ready for the Ultimate Soccer Experience FIFA 13 Demo on Xbox 360 Using only the core gameplay and features of FIFA 12, and with a new depth of competition, FIFA 13 will be the most authentic football game ever. Enter a world of endless customization, realistic physics, enhanced ball control, and incredible new gameplay features: Face-Offs FIFA 13 introduces the first case in franchise history where two opposing players can contest the ball at the same time, resulting in a face-off. In addition to the normal skills of dribbling and passing, players can now catch the ball and score through different angles and distances. Complex Play FIFA 13 introduces all new comprehensive tackling mechanics. Players now have the ability to attack a ball carrier from his blind side, and in the case of a breakaway, immediately tackle the player who is currently jostling with for possession. Player Impact FIFA 13 introduces a new and totally immersive system where real-world physical effects can now be added to the player model. Players now react to collisions and player contact in a natural, authentic way, from the slight bump of a light header to the full collision of a head-to-head tackle. Physically Challenged FIFA 13 introduces a new, complex, and highly sophisticated simulation system: FIFA 13 will be the most physically realistic football simulation of all time! Aim for Success The year 2012 marks the start of a new era for FIFA: a total commitment to giving the fans more of what they want, whether it's gameplay innovations, new modes, features, players, or a new partnership. We're also transforming the FIFA
