DP ISOBurn is a very basic ISO burner, which is available for Windows, Mac OS, Linux, and Android. The app features fairly easy to use controls, and it can burn and verify ISO images as well as format disks. DP ISOBurn Key Features: Burn ISO images Burn images to the same sized CDs and DVDs, and verify ISO files. Format optical drives Burn CD, DVD, or floppy disks as well as erase them. A: If you don't want to run a full-on ISO burning suite, you might like to try out JxDigger. It does the simple stuff, I think. Q: SOQL: Is there a way to apply a filter if a field is empty? Let's say I have the following query: SELECT Id, Name, (SELECT Name, Id, EntityOwnerId from Contacts) FROM Contact Is there any way I can add a filter to the Contacts subquery so that if OwnerId is empty, it will just leave the list empty? A: To use a variable in SOQL you will have to use dynamic SOQL VARIABLE CONTACTS_LIST VARCHAR(100); SELECT Id, Name, (SELECT Name, Id, EntityOwnerId from Contacts) FROM Contact WHERE isEmpty(Contacts) Note: Variable can be used only in SOQL Current weather With polls opening, state of Alaska politics A tractor-trailer rolls to the Alaska State Fairgrounds where a tent will go up to house the offices for Gulls Head Start. The tent will also house a table for the State Fair later this month. ANCHORAGE □ Ever-busy Congressman Don Young voted for a pending bill that would ban abortions in the state. He was with the other day-long politicians, drawn to Anchorage by their sixth jobs. They were there to represent their positions on everything from teachers' unions to the use of public lands. There was a Luddite from Wasilla who talked about bringing coal back to the state and a gay-lesbian-transgender family from Juneau who fought for people to have the right to sue for damages in case of discrimination. Here in Anchorage, the officials were there to talk about how to plug a \$2.2 billion shortfall in state spending. As the Alaska State Fair opened, the priorities were on display. In b7e8fdf5c8
