Where have all the xml files gone? Where can I get more help with this? A: Downloading xml files via ftp may be complicated for you, so to Easily look for xml files I found this tool helpful, called "Save to ZIP" Other way to look for xml files is that right-click on a file, select "properties" and use a search bar. In your case, I think you can try to look for \*.xml Or try to use this cool tool I found here, it will search for xml files Election Hall Election Hall A public building marked by the number of times a politician has been elected to office, or the number of elections in which he or she has run. For example, the number of times Bill Clinton has been elected president (NIXON; Reagan; Carter; Ford; & Bush) and the number of times he lost (Dukakis, Mondale, & Kerry). Or the number of times Richard Nixon failed to gain the vice-presidential nomination (NIXON; Humphrey; & Muskie). It also serves as a tribute to the politician's or politician's family's past electoral victories.Q: what is the equivalent of "where did the snow go?" for "where did the idea come from?" I am trying to ask my friend about the origin of an idea that he created and the common way of asking is "where did the idea come from?" but I'd like to know if there's a way of asking that is more common in a formal way. A: It's not uncommon to hear "where did the idea come from?" used as a reference to the source of an idea. For example, Bob: How do you like the new restaurant? Me: It's good; it has a new twist to it. Bob: Where did you get that idea? If someone asks this of you, you might answer "Where did I get this idea?" With this answer, you could say that it came from your diet, or that it came from your vacation, or that you thought of it while in transit in the car. It's also common to hear a "where did the idea come from?" question used as a de facto origin, like when Someone tells you that something is "his idea." Someone
