FIFA is the number-one global

sports franchise, the most popular sports game and the UEFA word mark is a registered trademark of PRIMECO DE OBRAS (“UEFA”). In FIFA, soccer matches engage all players, beginning with the passing game which takes advantage of the beauty and complexity of the game’s physics engine and delivers unprecedented authenticity, right down to the shape of the ball and the behaviour of the players. Build the best team in the world from the full depth of more than 350 real world clubs featuring authentic players, balanced leagues, and credible transfers with all-new player contracts, taking a truly global approach to the entire game. Perform over 500 actions in every match, including dribbling, heading, tackling, trapping and much more as you lead your team

through a progression of realistic challenges, conditions and tactical matches around the world. Take on the opposition by predicting your team's moves and anticipating their counter-tactics, or leave them to the wayside as you cover the entire pitch in attack or pressurize your opponents. Find your own unique playing style by learning your teammates' tendencies and exploiting gaps in the opposition, and maintain your sharpness as the demands of a new season require you to maintain your fitness. In FIFA, your on-pitch actions directly impact the flow of the game with immediate and intense consequences, allowing you to feel as though you are truly in control. This brings the game closer to the real thing in every way, including dynamic gameplay, improved

passing and positioning, new celebrations, and details like crowd noise. FIFA is EA SPORTS' most popular football series, built on its 30+ year heritage of delivering soccer as it is meant to be played. FIFA was the first series in EA SPORTS'

catalog to be powered by the Frostbite® engine, the same game technology that was used to create DICE's hit Call of Duty® franchise. FIFA has become the biggest sports franchise of all time, and now the award-winning series is back with FIFA 22. FIFA 22 digs deeper into the rich culture of football and features a new, more authentic FIFA experience that allows players to get closer than ever to the ball, ball control, attacking and defending, and getting the perfect goal and celebration. FIFA 22 is the most expansive and authentic FIFA experience to date, delivering enhanced gameplay and more than double the content of FIFA 21. Innovative Changes FIFA

22 is a game changer in football, featuring new and expanded gameplay across the entire experience: Increased Control. As players are getting closer to the ball, passing and shooting is more precise and responsive. As players are getting closer to the ball, passing and shooting is more precise and responsive. New Ball Control. Play the ball differently by selecting and playing on the correct foot, or by using precise, fluid, and natural ball control. Play the ball differently by selecting and playing on the correct foot, or by using precise, fluid, and natural ball control. Improved Trajectory & Timing. With new contextual and non-directional “in line with

ball” passes, as well as contextual, non-directional, and directional assist passes, players can gain an advantage with ball control and timing.
